

1st Annual Hike for Habitat

City of Port Moody is excited to present:

The 1st Annual HIKE FOR HABITAT

For 5-10 years. Join us for the changing of the seasons in our Hike for Habitat! Proceeds from this event will go towards a local environment campaign with The Land Conservancy of Canada. Be part of this active, positive day with hiking, beach combing, exploration and marine education.

Presentations by Footprints Conservation Society and Noon's Creek Fish Hatchery at Old Orchard Beach and Rocky Point Pier. In co-operation with the Elementary Explorers after school program.

Friday, October 21 (Pro-D Day)

9:00am – 3:00pm

\$20.00/person

Port Moody Recreation Complex

Proceeds to benefit The Land Conservancy of Canada's local campaign:

"Save Sansum Point", for more information please visit online:

<http://blog.conservancy.bc.ca/current-campaigns/save-sansum-point>

With support from City of Port Moody,
Port Moody Ecological Society,
and Noon's Creek Fish Hatchery
